The Federal Electronic Health Record Modernization (FEHRM) office, along with the Department of Defense, Department of Veterans Affairs, Department of Homeland Security's U.S. Coast Guard and Department of Commerce's National Oceanic and Atmospheric Administration (NOAA), are excited to bring together end users of the federal EHR (including clinicians, nurses and administrators) and subject matter experts to enhance the federal EHR to better serve our providers and patients. The theme for this third annual summit is ***EHR Excellence: People, Progress and Pathways Forward***. Register for the summit to hear from federal leaders and experts; earn continuing education credits; network with your peers; and share your experiences to help drive enhancements to the federal EHR as we work as partners in EHR excellence. Register for the summit at <https://registration.socio.events/e/federalehrannualsummit2023>. Visit www.fehrm.gov/federal-ehr-annual-summit for up-to-date information.

The Federal EHR Annual Summit is approved for continuing education credits. More information will be provided during the summit.
